2025 VRI Summer Internship Program – Application Process Closed

Thank you for your interest in Vitalant Research Institute (VRI) in San Francisco, an affiliate of the University of California, San Francisco. The application process for our paid summer internship positions is closed for 2025.

We look forward to your continued interest in future

For future, the 2026 Summer Internship Program at VRI provides undergraduate and master's students the opportunity to participate in research in the areas of transfusion medicine and cellular therapy through pairing with an investigator/mentor. Please check back with us in 2026 for application details.

2026 Requirements: Candidates are required to be enrolled in an educational institution (must be matriculated in semester before or after summer 2026, work in a team environment, set priorities, and devote full time to this training experience. Candidates must also have effective oral and written communication skills and be self-motivated with good organizational skills.

2026 Application Date: To be announced.
