### **2026 VRI Summer Internship Program – Application Process Closed**

Thank you for your interest in Vitalant Research Institute (VRI) in San Francisco, an affiliate of the University of California, San Francisco. The application process for our paid summer internship positions is closed for 2026.

---

### **We Look Forward to Your Continued Interest in the Future**

For future, the 2027 Summer Internship Program at VRI gives undergraduate and master's students the opportunity to take part in research in the areas of transfusion medicine and cellular therapy through pairing with an investigator/mentor. Please check back with us in 2027 for application details.

**2027 Requirements:** Candidates must be enrolled in an educational institution (must be matriculated in semester before or after summer 2027, work in a team environment, set priorities, and devote full time to this training experience. Candidates must also have effective oral and written communication skills and be initiative-taking with good organizational skills.

**2027 Application Date:** To be announced.
